funding summary

DUE: December 16, 2011

To the principal,

Thank you for your participation in the Youth in Service program. The funds which you have received in May 2011 must only be used in active community service. As a reminder, these funds may not be directly donated to an agency, used to buy items for your campus, or used as contributions for fund-raisers. These funds cannot be carried over and must be spent by December 16, 2011.
