Background Checks

Is your Agency doing everything possible to protect your clients? The Volunteer Center's Criminal Background Check Program can help keep your clients safe.

This is a vital and affordable risk management service for agencies that serve vulnerable clients. These background checks provide a complete state-wide criminal history that is not always accessible to agencies.

Workshops

Cost effective workshops, seminars and conferences are offered to all community-based groups, individuals and nonprofit organizations.

They are designed to share knowledge, enhance leadership and management skills, and provide tools and techniques that help board, staff and volunteers respond effectively to the needs of their organization.

The Helen DeVitt Jones Nonprofit Excellence Series will launch in January 2010.

Registration for upcoming workshops is available at www.volunteerlubbock.org or by contacting the Volunteer Center office.

Orientations

*Are you a new Volunteer Center Agency Partner?
Are you a nonprofit organization who has never been an agency partner?
Or have you been an agency partner for years, but aren't quite sure if you're utilizing all our services?*

Orientations are offered on the third Tuesday of each month for nonprofit organizations to learn about the services offered by the Volunteer Center of Lubbock, the benefits of membership, and how to take full advantage of them.

Discover the other services the Volunteer Center of Lubbock offers, and network with your fellow nonprofit organization peers. This orientation is open to agency staff, board members, or anyone interested in finding out more about our services.
