VOLUNTEER CENTER OF LUBBOCK

The mission of the Volunteer Center of Lubbock is to connect and empower people for goodness.

HOW CAN OUR PROGRAMS BENEFIT YOUR BUSINESS?

“Every interaction that Suddenlink has had with the Volunteer Center has been so positive. The golf tournament is a fun and worthwhile event and we have several top employees who anxiously await each year to learn if they get to play on this team. Cornucopia is another memorable event we participate in each year. How awesome it is to celebrate with leading volunteers in our community!”

I had asked Sharon Bass, Executive Director of the Volunteer Center, to come and speak to some key employees within our organization. What a terrific job she did and everyone was so excited to learn of all the opportunities in our community. How much fun to put all your activities in perspective for us.

This year I nominated and sponsored Chris Ramirez to be in the Emerging Leaders Program. He was thrilled to be accepted and we are so delighted with everything that he is experiencing through this.

Suddenlink is humbled to be a small part of such a vital organization in Lubbock and so grateful for Sharon and all her staff. Thank you for what you do!!”

– Alona Beesinger. Suddenlink West Texas, Marketing Manager

“Working with the Volunteer Center of Lubbock provides value in so many ways for so many stakeholders. Employers find value by providing opportunities for their employees to learn about ways in which they can help improve the Lubbock community and feel good about themselves. It also creates stronger bonds within the organization.

Employees find value by participating in programs such as the Leadership Development Series - an outstanding opportunity to develop their leadership skills and connect with other young leaders in Lubbock. And the Volunteer Center finds value by partnering with businesses throughout the Lubbock community, creating a vast network of contacts and potential volunteers. In this way, the power to do good grows exponentially!”

– Bronson A. Blodgett. Atmos Energy
Vice President, Finance - West Texas Division
